RENOVAID

onderhoudssystemen

Great saving on the costs for new blades by cutting new teething.

Easy to do and you can choose between standard and fine teething (requires two cuts).

Comes with a bottle of oil.

- Re-teething of the saw blades with the Renovaid saw cutter (Standard & Fine).
- Easy to do for all users.
- Nearly any saw brand can be used.
- A new set of cutters can cut about 150 saw blades.
- A set of cutters can be resharpened 5 times.
- The set of cutters can be replaced.
- Renovaid can replace the set of cutters as a service
